

New Zealand Operational Service Medal

The New Zealand Defence Force has a couple of questions for YOU!

No 1: Did you; a family member (living or deceased)' or a friend ever serve in South East Asia with the NZ Armed Forces between 1 February 1959 and 31 January 1974 for more than 7 days?

No 2: Have you already been awarded the New Zealand Operational Service Medal (NZOSM) for any overseas service? (The image of this medal and distinctive ribbon is on the left)

If the answer is **YES to No.1** and **NO to No.2**, it is very likely that there could be an NZOSM entitlement for that service in SE Asia.
